COMMISSION BID CONDITIONS - PLEASE SEE FULL TERMS AND CONDITIONS ON OUR WEBSITE

1. It is the onus of the Bidder to ascertain the success or otherwise of any bids.
2. If successful, the Bidder is required to settle and clear lots, immediately if local, or to forward a cheque by the next post if not, regardless of when collection is to take place.
3. Bids will be obtained for the lowest price, other bids permitting. A saleroom bid will however have priority, as will a previously lodged Commission bid.
4. Bids are to be 'rounded off' as follows: up to £100 in fives, over £100 in tens. Bids worded 'buy' are not acceptable.
5. It is regretted that new buying customers intending to settle their account other than by cash MUST be prepared, in the event of a purchase, to arrange payment by Direct Transfer from their bank account to that of the Auctioneers.
6. POSTAGE AND PACKING: Commission Bid purchasers requiring the dispatch of Lots MUST prepay P & P costs with their remittance for goods purchased. The Auctioneer will arrange both the packing and the dispatch.
